Detective,

Thank you for your email. I have shared the MOU with our team. I'm going to get this processed and get a counter signature. Once that is complete, I'll share the completed MOU with you and will make introductions to our partner success team and we will have you on-boarded. This process should take approximately 3 weeks or less. Please feel free to call or email me if you have any questions.

In the meantime, could you please help me identify the personnel in the yellow highlighted roles?

Detective Gallo,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Detective David Gallo (dgallo@ctpd.net)

Mike,

There is no cost for anyone who joins. I'm not sure about OPRA but we will not be generating anything other than an alert. I do not believe any video would fall under OPRA since we are not generating the video. Detective David Gallo sat through the presentation and would have more knowledge than me. Detective Gallo will be back in next week. I currently subscribe to my Township's, Mount Olive) Ring Neighborhood and I think it's great. As of today they are the only agency in Morris County that is using Ring Neighborhood.

Chief,
Sounds like it's worth pursuing. I have some questions:
-- cost? "Neighbors portal is free to law enforcement...." but any other expenses? Any significant time commitments that become an expense?

-- community engagement. A positive. But one more channel to monitor for chitchat (time commitment?). Albert advises TC against official engagement in Facebook conversations. Same OPRA and discoverability issues may apply for this.

-- Alerts. Again a positive. But if we send an alert that only goes to people who have bought this commercial product, do we become liable if a neighbor who doesn't have Ring becomes a victim because he didn't get the alert? Solvable by also sending an ACTNow Alert?

-- video requests. Huge investigative resource to have access to 700 surveillance cameras. May cause pushback from some members of the public, similar to San Francisco outlawing facial recognition technology? I admit I'm surprised. (I've seen the Ring ad on TV many times, but they never mention that their videos are captured and stored. They may be sensitive to this as a potential privacy issue.)

Thanks, Tom, for keeping an eye on new opportunities. I'd like a better understanding of the advantages vs potential problems, and the practices that would help. Also, who else is using this? What's been their experience? Any legal guidance or court challenge?

<Ring MOU - Chatham Township Police Department, NJ.pdf>

Neighbors by Ring

Memorandum of Understanding

This agreement is entered into this _____ day of _____, 2019 by and between Ring LLC ("Ring") and Chatham Township Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Chatham's ("Township") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to Township residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

Subject: Ring MOU - Chatham Township Police Department, NJ

Detective Gallo,

Thank you for arranging our meeting today to learn about Ring's approach to reducing crime in communities.

An overview of our program:

Our platform combines the deterrent value of a visible security system (devices) with the power of an actively engaged community (via a free app) to reduce criminal activity and to help solve open investigations.

Neighbors Portal is Law Enforcement's access to our platform. Portal highlights include:

1. **No Cost** - Neighbors Portal is free to Law Enforcement.
2. **Community Engagement** - Law Enforcement's ability to join the conversation on the Neighbors app (about posted video or in response to posted comments).
3. **Alerts** - You may post alerts which are highly relevant (proximity) to the recipient.
4. **Video Request** - You may request videos from Ring device owners who may have captured footage, that may be of relevance to active investigations.

As the attached MOU is reviewed, please feel free to contact me at any time. My cell number is 832-992-9910. As part of our security protocol, I have mailed a postcard to you with a code. Once you receive it, please enter the code at the end of the MOU document, along with the signature, prior to sharing it with me via email.

In the case where the MOU may need to go before City Council, we want to be sure to provide the proper support in advance. Please let me know if this is the case and I will loop in our PR/Media team for support.

Could you please help me identify the personnel in the highlighted roles? Once we receive the signed copy of the MOU and the information below, we will be ready to move forward in the process.

- Partnership Coordinator - Detective David Gallo (dgallo@ctpd.net)
- Investigative (CID/Crime/Property Crime) - TBD
- Public Information Officer / Social Media Liaison - TBD
- Community Outreach Officer - TBD

- Social Media Coordinator - TBD

Thank you again for meeting with me. I look forward to working with you and Chatham Township Police Department.

Sincerely,

Rohit D. Murti

Hello Chatham Township residents,

The Chatham Township Police Department is excited to be joining the Neighbors by Ring app in efforts to reduce crime in our Community. This app will allow the CTPD to inform the community of real-time crime and safety events so you can always stay informed. The Neighbors by Ring App also allows you, the user, to see something share something directly with CTPD. You do not need Ring devices to participate, anyone with any camera system can upload content to the Neighbors App! We are encouraging each and every one of you to spread the word out to the community about the Neighbors App. To download please text "CTWP" to 555888.

Remember if you see something, share something and report it to the Chatham Township Police Department 973-377-0100.

Sincerely,

Chief Thomas Miller
